Practice Areas

- Corporate and Capital Markets
- M&A
- Tax

Practice Summary

Hans-Peter advises clients on all types of M&A asset or share deals. He often leads the contract negotiations. Drafting or reviewing contracts is an important aspect of his advisory work in corporate transactions. Since tax issues play a significant role in corporate transactions, his knowledge of corporate tax is integral to his practice.

In addition to advising on corporate transactions, Hans-Peter also provides ongoing advice on corporate law issues, including advising on corporate transformation.

Hans-Peter is, simultaneous to his attorney activities, one of the Managing Directors of Pfaff Steuerberatungsgesellschaft mbH, a tax consulting firm to corporations and a subsidiary of SCHIEDERMAIR.
